MARY'S PROFILE

Web dev, Software dev

Welcome to my homepage!

I am **OLADEJI MARY**, I'm in my fourth year studying COMPUTER SCIENCE in LADOKE AKINTOLA UNIVERSITY OF TECHNOLOGY. My tech journey started in year 2019 where i got to know about programming but it was a challenge for me

becuase i was new to everything,it was just so confusing

And then my mates were already very good at their area of interest and i kept telling myself that i will also be good one day.And then I started by attending tech conferences,I participated in scholarship exams but it just could not make any difference..... So i made up my mind that i will make sure i improve during my SIWES programme and here i am trying so hard!!!

Wish me luck!!!

I'm currently undergoing my SIWES Programme at Raziela Technologies. My area of interests are:

- *Full stack web development*
- *Mobile app development*
- *Artificial Intelligence*
